

• TWILL #15

# #16 HUMAN ECOLOGY THE NEXT FICTION

The weight of reality is heavy to bear and ordinary people live on illusions and myths. Twill #13, #14 and #15 have exposed the fictions of Democracy, Economics and Justice.

With TRIBE, the last story of this #15, Twill introduces the theme of the next issue. It will uncover the mainstream fallacies on Population, Emigration and Sustainability
